

Dr. Yuhua Shouzhi Wang is the Top Champion of the New York Spring Auctions

Dr. Yuhua Shouzhi Wang was praised as a First-class International Artist by the New York Academy of Art. On March 18, Her *Pomegranates in Bamboo Basket*, 27"x18", commanded \$1,270,000 at Gianguan Auctions. The sale set the leading price of all the biddings in the auction.

The ink-wash paintings of Dr. Yuhua Shouzhi Wang are characterized by a transcendental artistic conception. The fidelity is not only in form but also in spirit. Her deep and strong technical capabilities and her profound literary qualities cannot be reached by anyone. Fundamentally, she has a robust foundation in the art of painting. Based on quintessential traditional Chinese paintings, she combined the detailed fine-brushwork Surrealism and transformed into the purest, highest style that transcends the mundane and leaped to the class of ease, the top of the four classes of art. On July 30, 2008, the United States Congress recognized Dr. Yuhua Wang as a "great artist and sculptor" and "world's treasure" in the Congressional Record. In 2013, President George Christophides of the World Federation of UNESCO Clubs, Centers, and Associations (WFUCA) named one of her paintings "2013WFUCA". In 2019, the Ministry of Culture of Thailand held an exhibit to showcase her artworks. The exhibit was a sensation in Thailand where the Ministry of Culture of Thailand specially issued a letter, asking colleges and high schools to study and view it in thanking Dr. Yuhua Shouzhi Wang for the high-class art she brought to Thailand. Dr. Yuhua Shouzhi Wang is the only Asian First-Class International Artist. She is in the same level as Cézanne, Gauguin, Monet, Van Gogh, etc.
